DETAILS

On May 5, 2016, I (b) (6), (b) (7)(C)

I requested an official statement from AMDT and the following was provided:

"After brief discussion in regards to the account for Pacific Steel And Recycling, and the collections performed on behalf of Safetrac Solutions, it has been determined that American Mobile Drug Testing does not hold responsibility for their drug testing policy or their account documentation. American Mobile Drug Testing provides the sole service of performing the physical collection of the specimen for the requested drug testing, and is not involved in any matters related to record retention or drug policy management. Please let us know if there is any information that we can provide in regards to our involvement in this matter.

Thank You"
